WARRANTS, CIRCULARS, &c.

156,712

VICTORIA R. 32

WHEREAS we have deemed it advisable to allow to the Widows and Families, or to certain of the relatives hereinafter specified, of Officers of our Army who since the declaration of War with Russia have been or may be killed in action, or who have died or may die of wounds received in face of the enemy, within six months after being wounded, the alternative of receiving a fixed sum of money, in lieu of such rates of pension and compassionate and other allowances as are prescribed by our Royal Warrant of the 15th June, 1855: And whereas we were pleased to issue a Warrant under our Royal Sign Manual, dated the 23rd October, 1855: Our will and pleasure now is, that our said Royal Warrant of the 23rd October, 1855, shall from thenceforth be cancelled, and that this our Royal Warrant, to be administered and interpreted by our Secretary for War, shall be constituted in lieu thereof, and shall be the sole and standing authority upon the matters herein contained; but shall not annul or in any way invalidate any act heretofore performed by our Secretary of State for War under the provisions of the last-mentioned Warrant:—

Rules and Regulations for granting a fixed Sum of Money in lieu of Pensions, Compassionate Allowances and Gratuities to the Widows, Families and Relatives of Officers killed in Action, or dying of Wounds received in the face of the Enemy within Six Months after being wounded.

1. The amount of money to be paid to a Widow, Widow and Children, or other relatives of an Officer killed in action or dying of wounds received in face of the enemy within six months after being wounded, shall, whatever branch of the Service he may have belonged to, be the regulation price fixed for Commissions in Cavalry and Infantry of the Line, as set forth in the following scale, viz.—

		Cavalry.		Infantry.
		£		£
To the Widow, Widow and Children, Children, Father, Mother, Sister or Sisters of	Lieut.-Col.	6,175	..	4,500
Ditto	Major ..	4,575	..	3,200
Ditto	Captain	3,225	..	1,800
Ditto	Lieutenant	1,190	..	700
Ditto	Cornet ..	840	..	—
Ditto	Ensign ..	—	..	450

But it shall in no case exceed the sum of money actually paid, in conformity with the regulation price, by the Officer for the purchase of his Commission or Commissions.

2. When an Officer so killed or so dying of his wounds within six months shall leave a Widow only, the sum thus fixed shall be paid to her for her sole and absolute benefit, provided she be not left in such pecuniary circumstances as would otherwise preclude all claim to a Pension; and she shall be required to establish her claim and to sign an acknowledgment of having consented to receive such sum in lieu of, and as a full compensation for, all

pension and gratuity to which she may or might have proved herself entitled in consequence of the loss of her husband, according to the forms prescribed by the Secretary of State for War, and described in the Appendix as Forms 10, 15 and A.

3. In the event of an Officer leaving a widow and children, who may or might have established a claim to the pension, compassionate allowance or gratuity, then and in that case the money awarded in lieu thereof shall be held in trust by the Secretary of State for War, and the interest thereof, at the rate of three pounds per centum per annum, shall be receivable by the Widow until her death, when the money shall be divided, share and share alike, among the children then alive of such deceased Officer, provided they shall have attained the age of twenty-one, otherwise the money shall still continue to be held in trust, and the interest applied for their benefit up to that age. In the event, however, of the Widow surviving her said Children, the money shall then become her sole and absolute property, as laid down in Article 2; but should such Children survive the Widow, yet still die before attaining the age of twenty-one, then and in that case the money, after discharging all just liabilities, shall become the property of the Crown. (See Appendix, Form B.)

4. In the event of an Officer leaving a child or children, but no Widow, the money shall be held in trust, and the interest thereof, at the rate of three pounds per centum per annum, as stated in Article 3, shall be applied by the Secretary of State for War for the benefit of such Child or Children, until he, she or they shall attain the age of twenty-one, when the money, as in the case of the Widow, shall become the absolute property of such surviving Child or Children, share and share alike. Should, however, such Child or Children die before attaining the age of twenty-one years, then and in that case the money, after discharging all just liabilities, shall become the property of the Crown.

5. In the event of an Officer leaving at his death neither Widow, Child, nor Children, then the money shall be paid to his father; and if he leave no father, it may be paid to his mother, for his or her sole and absolute benefit, provided that he or she shall establish a claim thereto, according to the Forms described in the Appendix as Forms 11, 15, and C. or Forms 12, 15, and D. as the case may be. And in the event of there being neither father nor mother, then the money shall be paid to the sister or sisters, as the case may be, share and share alike, provided they shall have attained the age of twenty-one years, and that their claim shall be established according to the Forms described in the Appendix as Forms 13, 15, and E., or Forms 14, 15, and F., as the case may be. But should any sister or sisters be under that age, then the money shall be held in trust by the Secretary of State for War, and the interest be applied as stated in Article 4, until such sister or sisters shall become twenty-one years of age, when it shall become the absolute property of the survivors or survivor. Should no survivors or survivor attain the age of twenty-one years, then the money, after discharging all just liabilities, shall become the property of the Crown.

6. No grant of money under the provisions of this Warrant shall be made to any person who would not be eligible for pension, compassionate allowance, or gratuity under the provisions of the Royal Warrant of the 15th June, 1855 (a Father alone excepted, whose claim must be established as set forth in Article 5); but the ineligibility of a Widow to any grant under this Warrant shall not

affect the interests of the legitimate Child or Children of a deceased Officer, for whose benefit the money shall be held in trust, and the interest applied by the Secretary of State for War, as stated in Article 4, except they be left in such pecuniary circumstances as would disqualify them for the compassionate allowances under the provisions of Article 3. Should, however, such Child or Children die before attaining the age of twenty-one, then and in that case the money, after discharging all just liabilities, shall become the property of the Crown.

7. In the event of it being represented and satisfactorily proved to the Secretary of State for War, that any Widow on whose behalf money shall be held in trust for the benefit of herself and Children, under the provisions of this Warrant, shall thereafter so conduct herself as to become unworthy of the bounty of the Crown, or shall neglect or illtreat her children, then and in that case the Secretary of State for War shall have full power to make such arrangements for apportioning the interest of the money, and making better provision for the children, as in his judgment may seem most advisable.

8. The allowances to be granted under the authority of this Warrant are not applicable to the cases of Officers killed in action, or dying of wounds before the declaration of war with Russia, but it is to take a retrospective effect up to that date; and, therefore, any Officer's Widow to whom there may have been granted a pension, compassionate allowances for Children, or gratuity for herself and Children, or any other relative of an Officer, who may have received a pension under the Warrant of the 15th June, 1855, who may wish to commute such pension, allowances, or gratuities, for the sum fixed under the provisions of this Warrant, shall be permitted to do so; but in that case, whatever sums may have been received by or on account of the Widow or Children, or other relatives, will be deducted from any amount to be paid under the terms of this Warrant. (See Appendix, Form 16.) But in every case of a sum of money being awarded under the provisions of this Warrant, interest thereon at the rate of three pounds per centum per annum will be allowed from the day of the Officer's death.

9. Should the Widow, or any other relative of a deceased Officer, who, prior to the 23rd October, 1855, has been granted a pension, and other allowances, under the provisions of the Warrant of the 15th June, 1855, wish to commute such pension and allowances for a sum of money in lieu thereof, in conformity with the terms of this Warrant, it will be necessary that application to that effect be made to the Secretary of State for War, within a year from 23rd October, 1855. And should the widow, or any other relative of a deceased Officer, who, since the 23rd October, 1855, may have already, or may hereafter be granted a pension and other allowances, wish to commute such pension and allowances for a sum of money in lieu thereof, under the provisions of this Warrant, it will be necessary that application to that effect be made to the Secretary of State for War, within a year from the date of the said pension and other allowances being granted.

10. A return of all sums paid under the provisions of this Warrant shall be laid annually before Parliament, on or after the 1st of April.

Given at Our Court at Saint James's, this First day of March, 1856, in the nineteenth year of Our reign.

By Her Majesty's Command.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

ARMY CLOTHING DEPARTMENT.

7,000 (CIRCULAR.)
General Number 647,
3.

SIR, *War Department, Pall Mall, 24th March,* 1856.

ADVERTING to the Circular dated 1st February (2 D–44), superseded by this communication, I am directed to transmit for your information a copy of Circular, No. 1,221, dated War Department, Horse Guards, 22nd inst., and of its enclosures, and to request that your own and the Quartermaster's proceedings in regard to the contingent expenses connected with Clothing and Saddlery of the Regiment or Depôt under your command may be regulated accordingly.

The Paymaster will make such advances to the Quarter-master from time to time as may be considered necessary for carrying on the service, upon requisitions from the latter Officer approved and signed by yourself, and at the end of every three months the Quarter-master should forward through the Paymaster to the Director General of Army Clothing the Contingent Account in duplicate, properly supported by vouchers, if possible, and by your certificate as follows:—

"I certify that the work charged for in this account was *necessary* and "has been *actually performed*, that the prices are *fair and reasonable* "and chargeable to the public, and that charges for carriage and all other "charges are for the public service."

Upon the accounts being examined, an authority for charge in the Regimental Pay List of the amount properly admissible against the public will be forwarded to you on the accompanying form.

I am, Sir,
Your most obedient Servant,
T. TROUBRIDGE.

The Officer Commanding ——.

7000 CIRCULAR, No. 1221.
General No. *War Department, Horse Guards,*
647. 22*nd March,* 1856.

SIR,

IT having been determined that the Cash responsibility connected with the payment of the expenses incidental to the making up, and altering Clothing, and for the repair of Saddlery, hitherto invested in Quartermasters, should in future devolve upon Paymasters of Regiments and Depôts, the duties of the Quartermasters being confined to the management of the Clothing transactions, I am directed to acquaint you that the Quarterly Clothing Account is to be rendered through you to the Director General of Clothing, with a memorandum attached, notifying that you have a knowledge of its financial bearings with reference to your own accountability for the advances made by this Department to the Regimental Agents, to enable them to meet your drafts for this Service.

I am to add, that such Advances will be authorized upon Estimates of the Amount (excluding shillings and pence), expected to come in course

of payment in each Quarter, commencing with the Quarter ending the 30th June next, accompanied by abstracts thereof for the use of the Agents, to be prepared on the Forms herewith, which documents are to be forwarded to the Director General of Clothing, care being taken not to draw for any portion of the amount, until three or four days have elapsed, so as to admit of correspondence should any be required upon the subject of the advance demanded. This service must be carefully excluded from your ordinary Monthly and Supplementary Estimates, and the Bills are to be invariably distinguished as drawn upon the Clothing Estimate.

Upon the Contingent Account for each quarter being examined in the War Department, a notification of the amount allowed thereon will be made to the Commanding Officer, authorizing a Charge on your Pay List on account of the same, vouched by the said notification.

I am, Sir,
Your obedient Servant,
B. HAWES.

War Department, Horse Guards, 26th March, 1856.

SIR,—The correct preparation of the accounts of the Depôt Battalions in regard to charges for men deprived of pay by order of the Commanding Officer for being absent without leave, or who have been imprisoned under his authority, by sentence of Court Martial, or by the Civil Power, being of great importance, and it being moreover highly desirable that the course of proceeding on the part of both Commanding Officer and Paymaster should be uniform, and in conformity with the regulations, I am directed to request your particular attention to the Articles of the War Office Explanatory Directions of 1848, quoted in the margin,* and to observe that the Battalion under your command should be mustered every month by the Paymaster from a roll prepared by the Adjutant, which roll should be afterwards kept complete by the Paymaster, who is responsible that all remarks therein from time to time entered against the men's names, and which affect the charges on account of their pay, should be carefully transcribed into his Quarterly Pay List, for the attainment of which important object every facility should be afforded.

I am accordingly to request, that you will give the necessary directions on the subject, and that you will satisfy yourself that the muster roll of the Battalion is invariably prepared by the Adjutant and kept complete by the Paymaster in all the required particulars, both Officers being held responsible that the information contained in that important document is fully and correctly stated.

I have the honor to be, Sir,
Your obedient Servant,

Correspondence.

25. All applications for information on any particular question regarding the mode of carrying on the instruction are to be made through the Commanding Officers to the Inspector General of Instruction, who, if unable to remove the difficulty, will refer the question for the decision of the Commander-in-Chief, without whose authority no alteration, however trivial, is to be made in the prescribed regulations as issued from the Adjutant-General's Department.

Duties of District Inspectors.

26. District Inspectors are responsible that the system of instruction, as taught at the School of Musketry, and which has been approved of for the Army, is rigidly adhered to, and efficiently carried out in the several battalions and depôts by the Instructors under their supervision. They will bring to the notice of the Inspector General of Instruction any deviation from the established system, or laxity in the practice, which they may discover in their periodical visits; on which occasions they will carefully and minutely examine the registers of the practices, and ascertain if the several companies' practice returns agree therewith; they will also take opportunities of seeing the men when employed at their several practices, that they may thereby judge if the preliminary drills have been carefully proceeded with, as the results which are capable of being produced chiefly depend on the pains taken in exercising the men therein.

Returns.

27. All the prescribed Regimental Returns of Target Practice, &c. (which are to be made out by the Serjeant Instructors, and not in the Orderly Room), after being signed by the Officer Instructor and countersigned by the Commanding Officer, are to be sent through the District Inspectors to the Inspector-General of Instruction, as directed in the Instruction of Musketry.

28. The District Inspectors, before forwarding the several returns, will ascertain if they are correct, and make any remarks thereon they may consider necessary, accompanying their monthly reports, transmitting the monthly progress returns of battalions and depôts, with a statement showing the battalions and depôts they have visited during the period embraced in their reports, as also the number of men they found under instruction, and the nature of instruction in which the men were employed.

29. The Inspector-General of Instruction will report quarterly to the Adjutant-General for the information of the Commander-in-Chief on the progress of rifle instruction among the troops, as also furnish annually, on the receipt of the Battalion and Depôt Annual Target and Judging Distance Practice Returns, an abstract showing the efficiency of every battalion in those practices, together with a report thereon.

30. The Inspector-General of Instruction, being held responsible for the efficiency of the troops in the use of their arms, will bring under the notice of the Commander-in-Chief everything he may observe acting prejudicially to that efficiency, as also any laxity he may discover on the part of those responsible for, and entrusted with, the important duty of training the troops to the use of their arms.

Given at Our Court at Saint James's, this Eighth day of March, 1856, in the nineteenth year of Our reign.

By Her Majesty's Command.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

WARRANTS, CIRCULARS, &c.

82,012
1,692.

THE Lords and others Commissioners of Chelsea Hospital, having, at the suggestion and recommendation of the Secretary of State for War, made arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

No. 1907.

CIRCULAR.—MEMORANDUM.

General Number, 176
A. 41.

Reports—Ireland.

Horse Guards, 17th April, 1856.

THE Field Marshal Commanding-in-Chief desires that, on the transfer of Soldiers from one Company to another in the same Regiment, their Arms and Accoutrements may be transferred with them,—and that on all future occasions of fresh issues, they may be marked consecutively from 1 to 1000 or 1,200, according to the establishment.

Care must be taken, on the transfer of a soldier to a new Company, that his firelock is in perfect order, or that the estimated cost of its repair is at the same time handed over by the Officer commanding the Company from which he may have been removed.

By command.
G. A. WETHERALL,
Adjutant-General.

GENERAL ORDER. No. 666.

Horse Guards, 21st April, 1856.

THE Field Marshal Commanding-in-Chief has received the Queen's commands to express her unqualified praise of the soldierlike appearance of the Troops of the Line and Militia at Aldershot, when reviewed by Her Majesty on the 19th instant.

The Queen admires the spirit of the Militia, and appreciates the zeal of its Officers, by whose exertions that Force has attained so high a state of

drill and discipline,—as manifested by the steady and correct performance of extensive manœuvres on difficult ground,—proving the great attention which has been paid to its instruction,—the successful issue of which could scarcely be expected from Troops so recently brought together in camp, and which surpassed the sanguine expectations of Her Majesty.

By command of the Right Honorable
FIELD MARSHAL VISCOUNT HARDINGE,
Commanding-in-Chief.

G. A. WETHERALL,
Adjutant-General.

Instructions of Musketry, 5

Sir,

Horse Guards, 3rd May, 1856.

The great and praiseworthy interest which Officers, Non-commissioned Officers, and privates, have taken in rifle practice, and which has already produced a proficiency in firing hitherto unknown, has induced the Field Marshal Commanding-in-Chief, with the sanction of the Secretary of State for War, to authorize Commanding Officers of Regiments to make requisition, through the Adjutant-General of the Forces, for extra practice ammunition, at the rate of six rounds per man per annum, for the purpose of promoting emulation between individuals, Companies, and Regiments, by shooting matches for prizes granted by the Officers, or made up by the Soldiers.

The fruit of their voluntary practice may be the gain of those prizes, or badges of distinction, which it is proposed, by regulation, to bestow upon the best shots.

Armed with the most perfect weapon ever yet placed in the hands of Troops, Soldiers will soon, by the measure recommended, acquire confidence in their arms and skill in using them, and their efficiency thereby be increased.

Commanding Officers will cause all matches to be fired at the appointed place of practice, and make such regulations for carrying them on, as shall ensure good order and regularity of procedure.

I have the honor to be, Sir,
Your obedient humble servant,
G. A. WETHERALL,
Adjutant-General.

115106 / 1200 — CIRCULAR, No. 1228.

SIR, *War Department, Horse Guards, 17th May*, 1856.

I am directed by the Secretary of State to acquaint you that, instead of the long Sea route between London or Gravesend, and the Irish Ports, the routes *via Bristol and Liverpool*, to or from *Cork and Dublin* respectively, should invariably be used for Recruits and Escorts, and small Detachments, also discharged soldiers and their families, proceeding to or from the centre and south of *Ireland* at the public expense.

I am to add that the Sea passage between the *Thames and Portsmouth* has also been discontinued, but that the contracts for conveyance by Sea between the ports specified below,* and between one port and another in the British Channel, remain undisturbed.

I have the honor to be, Sir,
Your most obedient servant,
B. HAWES.

To Officers commanding Regiments, Depôts, Depôt Battalions, Consolidated Cavalry Depôts, Inspecting Field Officers of Recruiting Districts, &c., and all Paymasters at Home.

I AM directed by the Secretary of State for War to transmit for your information the inclosed copy of Instructions with reference to Returns of Bread, Meat, Forage, Oats and Horse Billets for the Army, and a supply of Forms applicable; and I request that you will have the goodness to give such directions as shall insure the whole of such returns being rendered upon these Forms, taking especial care that they are signed and countersigned by the particular Officers named, and that they are transmitted to the Offices and Contractors concerned not later under any circumstances than the 3rd day of the month following that on which the deliveries may have been made, further supplies of these several Forms being procurable from time to time on written applications addressed to the Examiner, War Department, Horse Guards.

I have the honor to be, Sir,
Your most obedient Servant,
B. HAWES.

To the Officer commanding .

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.
